

ASBESTOS AWARENESS COURSE OVERVIEW

Robson Environmental Pty Ltd is proud to offer the nationally accredited Asbestos Awareness Course – 80803ACT, in partnership with Safety Training and Compliance as the appointed RTO.

This course is intended to provide learners with the knowledge and skills to identify when and where asbestos may be present and the precautions that need to be taken if it is present.

LEARNING OUTCOMES

- On completion of this course, learners should be able to:
- Describe the different types of asbestos
- Identify likely asbestos containing materials
- Identify asbestos related hazards
- Relate safe work methods to minor handling tasks

DELIVERY METHODS

- Trainer led discussion and demonstration
- Multimedia presentations and sample examination
- Group Discussion
- Group activities

UNITS OF COMPETENCY

- ASB001 - Apply asbestos awareness and safety to work planning
- ASB002 - Perform minor maintenance tasks on bonded MCAs (ACM)
- ASB005 - Communicate the safe management of asbestos
- BCGCM1001B - Follow OH&S policies and procedures

NOMINAL DURATION

Structured learning (training course) of 5 to 6 hours

PRE-REQUISITES

This course has been designed for Builders, Tradespersons, Building Assessors or Certifiers, Workcover Inspectors, Council or Insurance Inspector/Assessors or Apprentices in the building and construction or other trades industries.

It is also required in the ACT for any trades listed in this document issued by the ACT Construction Occupations Registrar.

Building (General) (Asbestos Handling Occupation and Qualification) Declaration 2009 (No 1)

Notifiable Instrument NI2009-317 made under the Building (General) Regulation 2008, section 48.

ASSESSMENT

Assessment is the process of collecting evidence to determine if competency has been achieved in accordance with guidelines outlined in the competency standards. This will include underpinning knowledge questions and a multi choice exam.

BOOKINGS

This course is available for delivery in our dedicated training rooms in Fyshwick. Alternatively the course can be delivered at your premises.

A minimum number of 10 persons is required for the course to run.
